INVENTORY CHANGE FORM INSTRUCTIONS

STEPS TO DISPOSE OF EQUIPMENT WITH SENSITIVE DATA

- When you need to transfer or dispose of any device that contains sensitive data (computers, laptops, cell phones, tablets, etc.) the device must be sanitized by OIT before the asset transfer or asset disposal can be completed.
- Please follow the steps below to sanitize and dispose of any device that contains sensitive data:
 - Fill out an Inventory Change Form. Obtain the authorized signatures to approve the form.
 - Submit a client services help-desk ticket for surplus removal. On the MYNSU website, search for OIT NSU Knowledge Base. Click on 'support request'. Enter your NSU username and password. Click on 'New Ticket' and fill out the following information: Building, Room, Phone, Alt Phone, Quantity/Type. Click 'Submit'.
 - Please note the contact information for the help desk is: (757)823-8678 or email to clientservices@nsu.edu.
 - An OIT technician will be dispatched to remove the hard drive and memory.
 - After OIT sanitizes the equipment, they will sign off on the Inventory Change Form.
 - Contact the warehouse by emailing Steve Thomas (spthomas@nsu.edu) or Kim Munday (kmunday@nsu.edu) and schedule a pick-up of the equipment.

INVENTORY CHANGE FORM INSTRUCTIONS

- Please note, the warehouse will not pick-up surplus equipment without the OIT signature on the inventory change form.
- The warehouse will send the final inventory change form to the fixed asset department.

For questions regarding client services help-desk tickets, call 757-823-8678 or email: clientservices@nsu.edu

STEPS TO DISPOSE OF EQUIPMENT WITHOUT SENSITIVE DATA

- Equipment that does not contain sensitive data (vehicles, athletic equipment, music equipment, etc) does not need to be sanitized by OIT.
- Please follow the steps below to dispose of equipment that **does not** contain sensitive data:
 - Fill out an Inventory Change Form. Obtain the authorized signatures to approve the form.
 - Contact the warehouse by emailing Steve Thomas (spthomas@nsu.edu) or Kim Munday (kmunday@nsu.edu) and schedule a pick-up of the equipment.

The warehouse will send the final inventory change form to the fixed asset department
